Please check off the behavioral problems you see in your pet. Fill in any other ones in the space provided that aren't listed below. Bring this form with you to the course/puppy club. We look forward to helping you and your pet on the road to a wonderful relationship!

Note: Many of the common dog problems cannot be adequately addressed in the course/puppy club, e.g., aggression, compulsive disorders, separation anxiety, submissive urination, fears, phobias and others. If you are experiencing one or more behavioral problems with your dog, you may want to schedule a behavioral consultation.
